Re Purchase of Iron safe and other articles of furniture by the Minor Municipal Council, Bellur

In forwarding herewith the file of records received from the President, Municipal Council, Bellur, with his No 81/50-51 dated 22 1 1951 on the above subject, I write to state that the President has reported that it is necessary to purchase an iron safe for the use of the Municipal office and that the question was brought before the Municipal Council at their meeting held on 31 9 50 and also on 28 11 50 They have resolved to purchase the articles of furniture, such as chairs, tables and iron safe etc , meeting the cost, in excess of R 100/- provided in the current year's budget out of the closing balance of the Municipality It is seen from the report of the President that during the year 1949-50 a sum of R 1000/- was provided in the Budget for purchasing the furniture and a sum of R 450/- was spent on this account The entire sum could not be spent as the contractor did not supply furniture in full as per indent This year he supplied the furniture with a bill of cost for R 387/- In addition, the iron safe is to be purchased at a cost of R 300/- making a total cost of Rs 687/- As only a sum of R 100/- is provided in the current year's budget for purchasing furniture, an additional sum of R 587/- over and above the budget provision has to be spent for purchasing the furniture articles and the iron safe In the circumstances, reported, by the President, I request you kindly to obtain sanction of Government to purchase the above articles, meeting the extra cost thereof, out of the closing balance of the Municipality

Yours faithfully,
[illegible]
